

Job Titles:

- **One (1) GIS Specialist**

Agency: Marshall Islands Marine Resources Authority (MIMRA)

Position Location: MIMRA Headquarters, Majuro Atoll

Duration: Two-year contract with a 6-month probationary period (extension subject to performance).

Purpose: To oversee the collection, management, and analysis of data for the Authority to support fisheries management needs and objectives, including the development, implementation, and review of information management needs and solutions relating to coastal fisheries. The role involves utilizing GIS technology for spatial data management, visualization, mapping, and database integration.

Position Responsibilities/Duties:

- **Data Management:** Oversee and manage the MIMRA GIS database, integrate datasets, and establish GIS data sharing protocols with relevant stakeholders.
- **Mapping & Analysis:** Produce high-quality maps, graphics, and spatial analysis to support marine spatial planning, coastal management, and project reporting.
- **System Maintenance:** Maintain, update, and troubleshoot GIS software, hardware, and web-based data portals.
- **Collaboration & Reporting:** Work directly with the Chief of Coastal Fisheries, project committees, and external government agencies to coordinate data-driven solutions.

Person Specification

Education: Must have a **Bachelor's degree** in Geography, Planning, Natural Resource Management, or a related field.

Experience

- Must have proficient skills with GIS software (ArcGIS suite) and related Open Source software (e.g., QGIS).
- Must have **3 or more years** of applied experience with ArcGIS software.

Skills & Attributes

- **Technical:** Excellent understanding of data collection, GIS analysis tools, remote sensing, and database management.

- **Communication:** Must have excellent written and verbal communication skills; ability to engage and facilitate stakeholders.
 - **Languages:** Must be fluent in **English and Marshallese** (with strong written English skills).
 - **Physical:** Must be physically fit for field work and willing to travel to outer islands within the RMI.
 - **Endorsement:** Must possess a valid driver's license.
-

Application Process

- **Forms:** View and print the full job description and application form from our website at www.rmimimra.com/opportunities/job-opportunity or visit MIMRA Headquarters (2nd Floor, Delap).
- **Submission:** Send your completed application via email to Alicia(a) aedwards@mimra.com or Ricky(a) [rdomingo\(at\)mimra.com](mailto:rdomingo(at)mimra.com).

Deadline: The deadline to submit all applications is **5:00 PM Friday, 26 June 2026**.
